Drug Addiction

2851. SHRI KRISHNA KUMAR BIRLA: Will the Minister of WELFARE be pleased to state:

(a) whether it is a fact that drug addiction among the students and the children in the country has shown constant rise;

(b) if so, what is the percentage of rise in drug addiction among the students and children particularly in Delhi during the last three years (year-wise);

(c) what according to the study, if any, made by Government is the percentage of drug addicts who come from the affluent society and those who belong to middle and lower middle class;

(d) what are the reasons for the growing drug addiction among the students and children; and

(e) what are the de-addiction treatment centres in Delhi and other places stating the number of cases on an average being reported daily at these centres and the percentage of those addicts who are cured?

THE DEPUTY MINISTER IN THE MINISTRY OF WELFARE (SHRI GIRIDHAR GOMANGO): (a) No such figures for the whole country are available. However, the preliminary report of the study conducted in certain locations indicates, there has been a decline in the prevalence rates among students in general when compared to the 1976 study.

(b) Does not arise.

(c) Although the numbers of addicts from various strata of society are not known, the experience of the voluntary agencies working in the field indicates that all sections of the society are affected.

(d) Does not arise.

(e) A compilation of such figures in the country is not available. In Delhi Govt. of India has assisted the setting up of seven counselling centres and one de-addiction centre by voluntary agencies. Besides, about 38 beds have been provided by Government in the hospitals.

Irrigation project cleared by CWC

2853. PROF. N. M. KAMBLE:
SHRI DINKARRAD GOVINDRAO PATIL:

Will the Minister of WATER RESOURCES be pleased to refer to the reply to Unstarred Question 1942 given in the Rajya Sabha on 14th March, 1986 and state:

(a) whether the major and medium irrigation schemes under consideration of the Central Water Commission as on 1st January, 1986 have now been approved; and

(b) if so, what is the number of approved major and medium irrigation schemes in different States and what are the places and areas they are likely to serve?

THE MINISTER OF WATER RESOURCES (SHRI B. SHANKARANAND): (a) and (b) The clearance for major and medium irrigation projects is given by the Planning Commission after obtaining the concurrence of the concerned Ministries| Departments. On their side, the Central Water Commission have completed appraisal of 21 major and medium irrigation schemes which were under examination with them on 1.1.1986 and these are yet to be cleared by the Planning Commission.

Artificial limbs for the physically handicapped

2854. SHRI SURESH PACHOURI: Will the Minister of WELFARE be pleased to state:

(a) whether there has been a break through in the artificial limbs technology and production and if so, the details thereof;

(b) whether their price levels are such that these can be purchased by all the citizens; and

(c) whether such limbs are provided to those who are economically weak and if so, the details of the scheme enforced, if any?

THE DEPUTY MINISTER IN THE MINISTRY OF WELFARE (SHRI GIRIDHAR GOMANGO): (a) Innovations in the manufacture of artificial limbs have taken place in the country from time to time. One such innovation has been the Jaipur Foot of which fitments are being done by a voluntary organisation in Rajasthan.

There has been considerable improvement in the production of artificial limbs by the Public Sector Undertaking, namely, the Artificial Limbs Manufacturing Corporation of India, Kanpur. Its production in 1986-87 is expected to be more than twice of the amount produced in the previous year. The products of this Company are of international standards.

(b) and (c) In view of the fact that a sizeable proportion of the disabled is too poor to afford purchase of the artificial limbs of standard quality, the Government has a scheme of 'Assistance to disabled persons for purchase of fitting of Aids|Appliances'. Aids and appliances costing between Rs. 25|- and Rs. 3000|- are provided free of cost to those handicapped persons whose income is upto Rs. 1,200|- per month and at half the price to persons whose income is between Rs. 1,200|- and 2,500|- per month. The Scheme includes supply of wheel chairs, hand or foot operated tricycles, calipers, artificial limbs; hearing aids, educational kits for the blind comprising braille-slates, braille-pocket frame abacus and measuring tapes for high school students; braille measuring devices like micrometers, calipers, etc.; for vocational trainees in the relevant trade. In addition, braille writer and tape-recorders for students enrolled in post-graduate classes are also given.
